PROFESSIONAL PROFILE

Graphic designer studying at UTFPR with focus on real-world projects, visual identity, and art direction. I bridge commercial strategy and visual sensibility to build authentic, memorable brands. Experienced in diverse sectors including high-ticket finance, artisan food & beverage, legal, healthcare, and cultural music projects.

FEATURED PROJECTS & COMMERCIAL WORK

Ritmo Doce 2024
Brand Identity & Packaging · Gastronomy
Crafted a full brand identity balancing commercial agility and gourmet warmth. Developed packaging systems, color palette (Navy Blue & Mustard), and POS materials reflecting the founder's daily street-market rhythm and culinary care.

Konz Capital 2024
Visual Direction & Social Media · Financial Market
Developed a high-ticket visual strategy and authoritative social media content for a financial ecosystem. Translated complex financial operations (forex leverage, cash flow liquidity) into clear, sober, high-impact design and typography.

Songs In The Key Of Life + Mama's Gun 2024
Album Concept Art · Music Culture
Visual sampling experiment fusing Erykah Badu's album structure with Stevie Wonder's warm analog textures, vintage typography, and grainy aesthetics.

Street Photography (Fotografia de Rua) 2023 — 2024
Authorial Photography & Visual Repertoire
Documentary urban photography exploring harsh natural light, contrast, and Brazilian daily culture, serving as a core foundation for composition and visual hierarchy.
